RESPONSE TO EXAMINER'S STATEMENT OF REASONS FOR ALLOWANCE

Commissioner for Patents:

In the Notice of Allowance documents, the Examiner provided a statement of reasons for allowance. In the Examiner's statement, various reasons were set forth pertaining to the allowability of the claims, including the "instruction count" feature in some claims and a "linker environment" for claim 19. Moreover, portions of the Examiner's statement used language that did not precisely recite the language in the claims. The applicants note that the claims are allowable based on the recitations contained in each and every claim, alternatively or additionally to the reasons set forth by the Examiner. Accordingly, the scopes of the claims are not to be limited by the reasons set forth by the Examiner in his statement.

Respectfully submitted,
